SKETCH NOTES

GRAMMAR DOODLE NOTES

TEACHING NOTES:

Following the example at the top of each column, the students will write sentences for the various verb tenses. This can be completed with the whole class where the teacher writes sentences on the board or a projected version of the notes. Students can also complete this with a partner or in a small group.

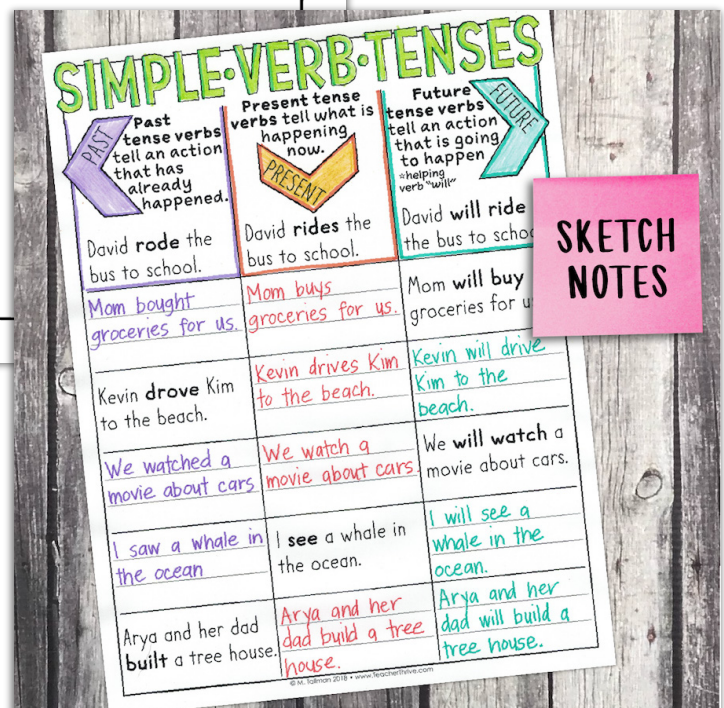

Since a formal lesson on helping verbs is not taught in third grade, make sure to point out and define "will," which is used in the future tense.
