SKETCH NOTES

GRAMMAR SKETCH NOTES

TEACHING NOTES:

Students will write the definition for a prefix to the right of the title. The definition from the PowerPoint can be used for this, or you can provide your own.

Students will then write words for each related prefix. Again, students can write the words from the PowerPoint, or they can write other words that you provide.

You may want to explain the difference between a base word and root. Base words can stand alone (e.g., "make" as in remake). Roots cannot stand alone (e.g., "vive" as in revive.)

PREFIXES				added to the beginning of base words to change their meanings
	rebuild remake retake reheat	repeat recycle reject review	revive revolve relax recline	recover refocus reform rewind
