SKETCH NOTES

GRAMMAR SKETCH NOTES

TEACHING NOTES:

Students will write the definitions of the parts of a dictionary page. These definitions can come from the PowerPoint, or you can provide your own definitions.

Pronunciation: Using a dictionary, show students where they can find pronunciation keys. The placement differs across dictionaries. Some dictionaries have them on the bottom right-hand corner of the page, while others have a key placed at the beginning of the book.

Parts of Speech: Students can also write the abbreviations used for the parts of speech on these notes (n, vb, a, etc.)

Plural Form: Spellings of plural forms and verb provided in the case of irregular spellings only.
